3b. **Follow-up on March Discussion of NDDOT Billing**
Ms. Gray reminded the board that at last meeting, she presented information about NDDOT’s recent approval of a revised indirect rate for 2018. Based on the use of a higher indirect rate, she initially believed that additional local match would be needed, and had presented that at the March meeting. However, after further analysis, she determined that adequate local match for the additional federal funds had already been paid. She explained that there were a few reasons for this, with the main reason being staffing levels below what was originally budgeted for the first half of 2018. Metro COG will not be invoicing the jurisdictions for the additional local match.
3c. Follow-up on Temporary Lease and Moving Dates
Ms. Gray presented a follow-up on the temporary lease with the City of Fargo. Following the March Policy Board meeting, Ms. Gray explained the actions of the Policy Board and the discussion that took place, and shared that the Policy Board requests that the City of Fargo remove the "aggravation fee" from the lease agreement. The city agreed, and the amended lease was approved by both the Finance Committee and the City Commission. A move date is tentatively set for April 29-30.

3d. Remodeling Project & Amended Lease with Case Plaza, LLC
Ms. Gray provided an update on the Metro COG Case Plaza remodel project. The amended lease was presented, and summarized by Ms. Gray. Metro COG agreed to $240,000 for tenant improvements, and Case Plaza covering $65,000, which is included as an amortized cost in the proposed lease. After discussions with Case Plaza LLC about HVAC (boiler heat system) and window replacement, it was tentatively agreed to bring forward to Policy Board a proposed lease which includes $25,000 of amortized costs toward these improvements, which total approximately $93,000 for the portion of the building to be occupied by Metro COG. Ms. Gray explained that Case Plaza LLC is also proposing a different lease format, changing from a gross lease to a base lease plus CAM (common area maintenance). Case Plaza LLC has explained that this is a typical lease agreement for office space, and that they are transitioning many of their leases over to this format. Ms. Gray also took this opportunity to update the board on the agency’s finances, in the event of construction going over budget.

Mr. Grindberg asked Lori Ibach for some clarifications on numbers in the lease agreement. Ms. Ibach agreed to remove “and expenses paid” from item 4.

MOTION: Approve the amended lease with Case Plaza (with updated language discussed), and authorize the Executive Director to advertise for and hold a public hearing before the Executive Committee at their May 1, 2019 meeting to consider signing an amended lease for Metro COG office space within Case Plaza.

Mr. Breitling moved, seconded by Mr. Hendrickson.
MOTION, passed. 11-1 (Mr. Strand did not agree with the non-RFP process)
Motion carried unanimously.
