2026 and 2027 Transportation Alternatives Application

Step 1: Project Information

Project Summary:		
Name of Project:		
Project Location:		
Lead Jurisdiction:	Loc	al Match Provided by:
Post-Construction Owner of th	e Project:	
Right of Way Provided by:	Mai	ntenance Provided by:
Project Contact:		Contact Phone:
Contact Email Address:		
Anticipated Bid	An	ticipated Project
Letting Date:	Completion Date:	
State:	☐ North Dakota	☐ Minnesota
Would you like to use these ful	nds Ye	es, this project is requesting to use AC
or Advanced Construction (AC)? in the year specified below		the year specified below
Project Summary: Fill out the below table with all	funding sources ar	nd amounts including the TA funding

requested with this application.

Funding Source	Funding Amount
2026 TA Funds	
2026 Local Matching Funds	
2026 Local Non-Matching Funds	
2026 Subtotal:	
2027 TA Funds	
2027 Local Matching Funds	
2027 Local Non-Matching Funds	
2027 Subtotal:	
Total Project Cost:	

Other Grants and Federal Funds:
Are there any other federal funds or grants currently being used by this project or
grants being pursued by this project? If yes, please explain below:
Project Scope:
Describe below the work being funded. Please go into detail about each element of
the project including: proposed cross section, pavement type, lighting, traffic control,
bicycle & pedestrian infrastructure, utility work, etc. Please try to include all relevant
information. Please indicate which elements of this project are Federally Eligible and
which elements are non-eligible?
Timeliness for the Project
Describe below why this project is requesting funds now?
Need for the Project
What are the key factors that make this project important to fund?
System Benefit of the Brainet
System Benefit of the Project How will this project benefit the transportation system?
Identification of Potential Challenges:
Please indicate below any foreseeable environmental, design, and/or construction
challenge that may pose a risk to the completion of the project:

Due: November 17, 2023

FM Metro COG TA Application FY 2026 and FY 2027

Step 2: Planning Conformance

Relationship to Regional Priorities:

The Metropolitan Transportation Plan – <u>MetroGrow 2045</u> – includes the following goals:

FM Metro COG MTP 2045 Metro Grow Planning Goals		If applicable, describe how this project contributes to each Planning Goal listed below	
	Safety System and Security		
4	Travel Efficiency and Reliability		
,\$\.	Walking and Biking		
	Transit Access		
	Maintain Transportation Infrastructure		
	Environmental Sustainability		
*	Economic Development and Transportation Decisions		
	Emerging Transportation Trends		
Please	astrated in Planning Studies: provide other materials that doc r regional plans or studies.	ument the need for the proposed project in	
 Additional materials are attached that document the need for the proposed project 			
	This project in the 2045 MTP.	What is the MTP Project ID number:	
This project will comply with all necessary Americans with Disabilities Act of 1990 (ADA) requirements, your local ADA Transition Plan, and the requirements of Public Right-of-Way Accessibility Guidelines of 2011 (PROWAG).			
Project Map and Documentation: Please provide a map detailing the limits of the project on aerial imagery. Include all details on the map that are relevant to the overall project.			
	A project map has been included	d as an attachment to the application	

Step 3: TA Specific Questions

What TA category best fits your project:

Identify the category and type of project you believe best fits your project (check all that apply). To be eligible for Transportation Alternatives funding, your project must fit into one of these categories and must relate to surface transportation.

0	ne or ir	lese categories and most relate to softace fransportation.
	other infrasti and o	ruction of on-road and off-road trail facilities for pedestrians, bicyclists, and nonmotorized forms of transportation, including sidewalks, bicycle ructure, pedestrian and bicycle signals, traffic calming techniques, lighting ther safety-related infrastructure, and transportation projects to achieve liance with the Americans with Disabilities Act of 1990.
		ruction of infrastructure related projects that will substantially improve the of students to walk and bicycle to school.
	routes	ruction of infrastructure related projects and systems that will provide safe for non-drivers, including children, older adults, and individuals with lities to access daily needs.
		ersion and use of abandoned railroad corridors for trails for pedestrians, ists, or other nonmotorized transportation users.
	Consti	ruction of turnouts, overlooks, and viewing areas.
	Comn o	hunity improvement activities, including: historic preservation and rehabilitation of historic transportation facilities that are continuing to, or upon rehabilitation, function for their intended transportation purpose. vegetation management practices in transportation rights of way to improve roadway safety, prevent against invasive species, and provide erosion control; archaeological activities relating to impacts from implementation of a transportation project; and
	•	nvironmental mitigation activity, including pollution prevention and on abatement activities and mitigation to: address stormwater management, control, and water pollution prevention or abatement related to highway construction or due to highway runoff, including activities described in 23 U.S.C. 133(b)(11), 328(a), and 329; or reduce vehicle-caused wildlife mortality or to restore and maintain connectivity among terrestrial or aquatic habitats.

Step 4: Signature

To the best of my knowledge, information in this application is true and correct. I understand that determinations made by state and federal partners may limit the amount of federal eligibility. Based upon eligibility determinations or other factors, federal funding levels may change. Your local unit of government may then have to supplement funding for the project by local means. Furthermore, it is understood that the development and delivery of the project must align with the fiscal year in which funds are requested. If, for whatever reason, the project cannot be constructed according to that timeline, Metro COG reserves the right to revoke project funding authorization at which time it will seek to program those funds onto an alternate project.

I due hereby formally submit the aforementioned profunding on this day of(month),	
In Witness Thereof:	
(Responsible Government Official) Date	
(Signature of Responsible Government Official)	
(City / County / District Engineer)	Date
(Signature of City / County / District Engineer)

Step 5: Safety Analysis and Title VI & Environmental Justice Conformance

This section will assess the impacts of the proposed project on Title VI and EJ communities in conformance with (list federal code as well as executive orders). It also documents safety concerns that may exist within the limit of the project and details how the design of the project will take that into consideration. (Metro COG staff can assist the applicant in filling out this section.)
